I'm an award-winning, focused, and enthusiastic animator, designer and motion graphic designer with a professional mindset. I'm also skilled in 3D software, including Cinema 4D and Autodesk Maya.

My creative practice encompasses a range of disciplines, including branding, digital and traditional illustration, stop-motion and rostrum animation, character design, concept art and graphic design.

I will be delighted to offer my skills and creativity in these areas and look forward to exploring and expanding my knowledge further.
